# LETTER FROM THE MANSE

*Hello my dear friends*

The deadline for material for the Steeple Times seemed to come around all too quickly and East and Old Church has been busy, busy, busy! (No big surprise there!)

Billy and I hosted Rev Awadia and Rev Paska from South Sudan on the second weekend in March and what a busy weekend it was. Our visitors had a quiet Friday night after a busy week at a peace and reconciliation conference and then on Saturday they attended the Guild Coffee morning. After enjoying pancakes and tea (with warm milk not cold) they spoke for 10 minutes each about who they were, their jobs as pastors and what the situation is like in South Sudan at the present. Over 80 people heard their story and were surprised and horrified at the situation there. On Saturday evening over 20 people turned up at the Manse for food and drink and to get to know our visitors better and hear more of their story. A big thanks to Irene Duthie and Jean Alexander for helping out. And then on Sunday morning breakfast was at the Breakfast Church which was supplied by our BB Company and it was super – well done to the officers and boys and what a selection and thank you for the lovely Mothering Sunday gifts! Our guests then spoke at the main service and stayed for tea and coffee afterwards. Now you may be wondering why I have given you their itinerary for the weekend but it concludes with what Awadia and Paska said to me at the end of their time at East and Old Church and with the interaction they had with our members. They both explained to me that in South Sudan people speak aggressively to each other and are wary of each other. What they felt in

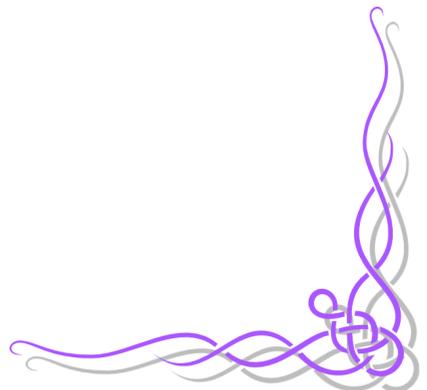

East and Old was the love that we have of Jesus Christ and how we serve Christ in our own church and in the community and then the love of one another, the happiness, the laughter and the support we offer each other. They felt God's love in action in East and Old and wanted to bottle it up and take it home with them. The other points they made to me and are taking home with them is the fact that many of our members are in the older age range and still have such active roles in the church, most of the people who have roles in the church are female and they were in awe of the way in which the children took the service and celebrated communion with us – all of these things were completely alien to them. In East and Old we have also learned from our visitors. They have shown to us true faith in Christ and have such hope for the future even in the circumstances that they live in at present. Thank you to all our members who interacted with Awadia and Paska and left them with such a lasting memory of people of faith in Scotland who will keep them in their prayers over the coming months and beyond.

When I needed a neighbour where you there?

Yes East and Old were there and will continue to be.

Every blessing to you all

*Barbara Ann*

## WHAT'S BEEN HAPPENING

**Zuglo Church, Budapest**—We warmly welcomed to the church the members of our twinned church Zuglo Church. Twenty seven members of their choir arrived on Thursday 15th March and it was non-stop action for the next few days. Meet and greet with food and drink at the church, a tour of Forfar, attending the Lent Lunches and then a visit to McLaren's Bakers and Station Park – thank you Bill McLaren and Neill Wilson for your tours and time you gave.

The concert on the Friday night was excellent with a variety of worship music. We could tell how much the choir had practiced. Mihaly had practiced in the morning with our own choir and they were super on the night – well done everyone.

Saturday and off we went to Glasgow for a walking tour in the town centre and then to a concert in Houston and Killellan Kirk which is our ministers home church. The choir performed a different programme and once again were wonderful. After Zuglo choir had finished singing Houston and Killellan Kirk choir sang their pieces which were also excellent! Church was a busy affair with lots going on and once again hearing Zuglo choir and our own choir. Lunch after the service was a joint affair with the Hungarians and our own members and then off to Arbroath. The group had some spare time, then enjoyed their fish supper before taking part in the evening service at St Andrews Church. We must say a very big thank you to Karen Liddle for all her organising and dotting of i's and crossing of t's. Thank you also to our hosts and the people who were driving people around – it was great team work and great support offered by many.

Barbara Ann would like to say thank you for those who contributed to the retiring offerings for this trip and to those who gave her money to buy some extras also.

We will meet our friends again in July in Zurich and then again in October when some of us will be heading over to Budapest.

# **FACT** Lent Bible Studies

will be finished by the time this issue comes out and East and Old Church have been the hosts once again in our lovely social area. The material this year was very good and the clergy in Forfar and members of all the churches came together to discuss a variety of bible passages and real life stories. Thank you to the members of East and Old who set up the tea and coffee each Thursday evening.

**L**ent Lunches — The FACT Lent Lunches were once again hosted by East and Old Church and each church took a week of making the soups. How talented are the people of Forfar in their soup making.

Each week saw a variety of soups — all very tasty indeed.

The total raised has not been announced yet but we will let you know in the next edition with the money going to the FACT charity this year which is the Inspiration Orchestra. Isabel Farquharson was in charge of organising our soups and the serving of them so a big thank you to her and to everyone who made our soups, set up, served and cleared away on our day.

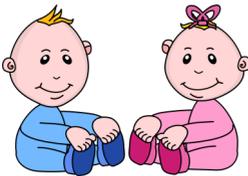

Thank you to Bill and Irene Duthie for helping each week to set up so each church knew what was happening. Thank you to St John's Church who had an additional 27 Hungarians for lunch at their event!

The Beast from the East played havoc with many events over a two week period.

However many of you braved the elements to attend the Lent Lunches and even though the Baby Blethers up-cycle sale was cancelled, the coffee morning part of the event went ahead and made a profit of £200! This event has been rescheduled for Saturday 21st April and we hope you will support it.

Our treasurer Paula really has brought new life to the church with the Baby Blether with over 18 babies attending and we now host a baby yoga class and baby gymnastics also.

Our rooms and halls are being hired out for birthday parties and we have since hired out the social area for a family event also.

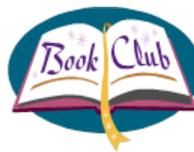

If you would like to hire our premises speak to Bill Duthie for availability.

**N**epal Trip - Irene Duthie and Barbara Ann as you know are off to Nepal on Saturday 7th April but before they go they were required to attend a 'prepare to go day.' It was an informative day and a busy day being told what vaccinations were required!

Fortunately Barbara Ann had most of the vaccinations for going to Malawi but Irene needed to start from scratch. Who would believe that vaccinations were so expensive! We wish them both well on their travels and look forward to hearing about their trip to Dhading in Nepal on their return.

**T**he Book Club continues to meet every month and the recent books have caused a difference of opinions with a

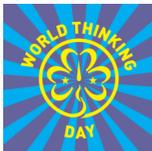

variety of comments on the books chosen.

Over the next month we will be getting ready to choose our next selection and are happy to hear of any books that people would like to recommend.

**W**orld Thinking Day for the Guiding Association - we were delighted this year to host the Forfar Girl Guiding Thinking Day Service on Sunday 25th February which was well attended by the Rainbows, Brownies, Guides, leaders and families of the girls. The theme this year for the association is 'IMPACT' and our minister covered various aspects that we make an impact on in this life but most of all the impact that Jesus made to our world. There was a little difficulty with the Colour Party flags at the beginning - a bit of a balancing act and the opening hymn was sung three times...

**T**hank you to our Groovy Gryphon leaders and children who made over 200 pancakes for everyone after the Thinking Day Service.

They sold them as people were leaving Church and also to those who stayed for tea and coffee. The pancakes were very good - so good in fact that they raised £320 towards the purchase of a defibrillator.

year of young people  
bliadhna na h-òigridh  
2018

**G**roovy Gryphons also made breakfast at one of the breakfast services and then took the whole service on Mother's Day where we celebrated an *Agape meal* with the children serving the bread and wine – *well shortbread and juice!* The children explained about the old traditional way in which communion would be celebrated.

The congregation celebrated communion around the minister's kitchen table (a van arrived at the manse to take the kitchen table

down to the church for morning worship), each member of the congregation was asked to recite one of the Ten Commandments and if they got it correct they were given a token which they exchanged for the elements.

The minister was very relieved that everyone celebrated the *Agape meal* which means they answered the questions correctly!

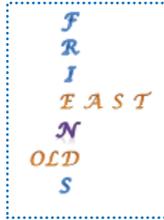

The children will be more involved later in the year also.

*Thank you Groovy Gryphons !!!*

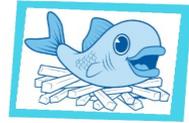

## Friends of East and Old Burns-less Night

This has got to have been one of the best nights we have organised in recent years. Over 60 people attended the evening for a three course meal of lentil soup, steak pie and trifle with Irn Bru, shortbread and tablet. The evening's entertainment was performed by Accord and the members of Friends of East and Old. A big thank you to everyone who donated the food and drink and helped serve and clear away the food. Accord as usual were excellent with their choice of Scottish songs and jokes and not a Burns song or poem in sight!

## Flick N' Chips Night

Over seventy people turned up for the Flick N' Chips night and really enjoyed their

evening. The fish suppers from North Street Fish Shop were excellent and they gave us tubs of tartar sauce, ketchup and slices of lemon with our order of 70 suppers and had them all ready for collection. Barbara Ann encouraged everyone to give one pound each for a game of "knives and forks" and then proceeded to inform everyone that she forgot the prize so the winner received their £1 coin back! That's how to make a healthy profit!

Only Barbara Ann could get away with that !!!

The film that evening was Hidden Figures which everyone enjoyed and if you'd like to see this film

we now have a DVD that can be given out. Just speak to one of the elders and they will get it for you.

As you know we are **actively seeking new elders** so it was with great delight that Anne Watt who joined our church a number of years ago realised that God was calling her to take up her eldership once again here at East and Old.

Anne was ordained many years ago in Dumbarton Presbytery and the Kirk Session and the congregation welcomed Anne into this role. Just a few days ago her husband Robin also felt God calling him and he has also agreed to take up his eldership once again. A date will be set for his admittance at the next Kirk Session meeting.

If you have been asked previously to consider being an elder, please pray to God and ask for his direction as the church cannot function without its elders.

We are sorry to give you the news that both Rab and Fiona McLaggan are stepping down as active elders this month and we thank them for their valuable contribution to the life and work of East and Old church in their roles as elders.

**B**reakfast Church attracts a few numbers but those attending really appreciate the short act of worship around the breakfast table.

Thank you to Lauraine Grant who took her first ever service at the breakfast church and did a great job and thank you to the Boys' Brigade who gave us breakfast on Mothering Sunday. The little gifts that you gave everyone was a real bonus - so when are you coming back!

We look forward to Isabel Farquharson leading worship at breakfast church on the second Sunday in April.

*What's coming up  
& what to look out for*

**T**he Baby Blether “up-cycle event” will take place on Saturday 21st April from 10:00am and even if you do not need baby clothes or accessories come along for the tea, coffee and home baking.

**C**ommunion Services - Sunday 22nd April at 11:00am and 6.30pm and we look forward to seeing as many members as possible at these services and just in case this date does not suit then Holy Communion will also be celebrated the following Sunday, 29th April at 2:30pm with Afternoon Tea at the end of the service. If you require transport to any of these services please contact Jean Alexander (01307 463860) who will be delighted to hear from you.

**Z**urich Church are arriving on Wednesday 9th May and we are really excited about this event.

The Wednesday evening we will meet and greet them over food and drink and on Thursday a tour of Forfar.

Friday we are off to St Andrews to see where John Knox was involved during the reformation and to play the Himalaya Golf Course and then returning to Forfar for a ceilidh in the evening - food, drink, dancing, poems, jokes and much more and our Swiss friends have prepared some entertainment for us also.

Saturday will be a day spent in Edinburgh and we will have spare seats on the bus for anyone wanting to come along.

Our guests will visit the castle, Royal Mile, Holyrood Palace and the Scottish Parliament building but the main point of the trip is to visit John Knox statue and his house when he lived in Edinburgh. This is a taster of their visit and there is so much more.

- ◆ *Would you like to be involved?*
- ◆ *Can you host?*
- ◆ *Can you help with transport?*
- ◆ *Can you be in a tour group?*

If so, Karen Liddle would love to hear from you.

**H**andbag Event — Wednesday 2nd May will see the return of the “Handbag Event” that we ran last November with the company from Glasgow coming up to display and sell their handbags and accessories with a different range from last year. Their stock includes summer accessories with lovely summer colours.

**O**ur minister is the chairperson for the **Leprosy Mission** committee in Forfar and is supported by members from the other churches. To raise more awareness of this disease an event has been organised in the British Legion on **Sunday 3rd June at 2:00pm**. We are delighted to announce that the CEO Leprosy Mission Scotland Linda Todd will be coming along to speak and is hoping to bring the International President with her. Come along and find out more about this disease and the huge advancements that are still going on to help people with this disease.

**T**he **Twinning Committee** have also been meeting regularly because of our friends from Zuglo in Hungary visiting us but also because in May we will have 28 Swiss visitors and 2 German visitors coming to stay with us in Forfar. If you can host one or two of our guests

then please get in touch with Karen Liddle or Barbara Ann as we need another two hosts for their stay from Wednesday 9th May to Monday 14th May.

Our minister was asked to be a host for two South Sudanese visitors the weekend before our friends from Zuglo arrived.

Rev Awadia and Rev Paska were here for three days and spoke on a number of occasions to our members and friends of East and Old. Thank you to the Guild for allowing us to gate-crash your

coffee morning and thank you to all who turned up at the Manse on the Saturday night and to Irene and Jean for helping with the food.

**O**ur minister went along to the last **Christian Aid** meeting along with our rep Isabel Farquharson to find out what the Christian Aid committee do and organise in Forfar. They were made to feel welcome and took on board the hard work that the team do.

The Christian Aid envelopes will be delivered with this magazine and we ask you to return them (with money in them preferably) to the Church or to the Big Kirk shop.

There is an organised sponsored walk over the Tay Road Bridge on Saturday 21st April starting at 2:00pm from the Newport-on-Tay carpark.

If you don't fancy the walk across the Tay Road Bridge, there is an alternative sponsored walk around Forfar Loch starting at 10:00am on the same day. You have the option to walk around the Loch either once or twice.

**W**idow/widowers Group  
This new group is now up and running and have named themselves – FRIENDS R' U.S.

The group now meets the second Tuesday of every month at 2:00pm for a time of fellowship and an occasional speaker but keep looking on the notice board because members will put up information if they are planning to do anything.

Already they are set up for a Ghost walk in Dundee, exercise classes and walking events and driving events. This group is open to widows, widowers and single people.

**F**inances — we have to bring up the subject of our income again as we are still not bringing in enough money to cover our day to day needs and there is simply nothing we can cut down on to make this any easier.

Between our contributions to 121, Presbytery and the salaries to our employees (which is not that big) our projected expenditure is in excess of £100,000 before bills such as gas, electric, insurance etc are accounted for.

We asked in the last edition that you pray to God and then consider your weekly, monthly offering in response to what East and Old is doing in the service of Christ — a few people have since increased their offering and we thank you for that. However, our projected budget for 2018 already indicates a deficit of £27,000 and if the weekly and monthly contributions do not rise, then we will need to have even more fund raising events to balance the books.

Our treasurer, Paula Stewart, asks if anyone has any ideas or suggestions of ways to increase our general income to speak to her or to Barbara Ann.
