# East & Old Green Team Eco Newsletter

Edition 4, Issue 3

Newsletter Date September 2018

## Your Planet Needs You!

- Handy hints of the month
- Litter Pick Up dates
- Events hosted by the Green Team
- News from Other Church Committees about their Eco events

## Inside this issue:

Your Planet Needs You—Eco Garden 1

Modern Church Recycling 2

## Your Planet Needs You

Over the coming months the Green Team will be posting a number of editions of the Green Team Eco Newsletter on the teams pages on the East & Old Church website at <http://www.thebigkirk.co.uk/church-information/green-committee/>

## Eco Garden

This year the Eco Garden has been home to many white cabbage butterflies, bumblebees and wasps.

The bees and wasps kept themselves busy with the Lavendar plants and the white Buddleia during the spring and early summer, before moving onto the wildflowers and bulbs in the late part of the summer. Indeed we still have some daisies flowering now. The butterflies were very enamoured with both Buddleias.

Although the odd rabbit has also put in an appearance and unfortunately eaten all of the Lupins, our other wildflowers and butterfly bushes have survived extremely well.

Pick up your Eco Garden Leaflet from the Old Kirk Shop or come along to the Archives and get a leaflet there, whilst viewing this wonderful garden.

### Modern church Recycling

Bill Duthie and team have created a beautiful office desk using forty year old session room tables with additional pitch pine pew wood to match the new church doors.

Creative thinking was also at play when the team also used the pew wood to make new feet for the churches modern tables
